

CAPABILITIES STATEMENT

Global HVAC, LLC ("Global Mechanical") is a leading full-service mechanical contractor based in Sykesville, Maryland. The company has an extensive track record of delivering large, complex, commercial, and residential projects on time and on-budget. Global Mechanical, established in 2012 by our company's Principal, Antonio Villanueva, is a 100% Hispanic-owned certified minority business enterprise. Since its inception, Global Mechanical has developed a reputation for best-in-class service and quality. Today, our company is the most highly sought-after mechanical MBE contractor in the Maryland, Virginia, and Washington, DC area.
